EDUCATION

Dalhousie University Halifax, NS
Bachelor of Computer Science January 2023 – December 2026
Relevant Courseworks: Data Structures and Algorithm, Software Development, Database Management Systems, Web design and Development
GPA: 0

COOP STATUS

- Seeking a 4-to-8-month work term in Fall 2024

SKILLS

Programming Languages: Proficient – Java, Kotlin, HTML, CSS, Java Script, My SQL, Unit Testing; Familiar- Python, C, Assembly Language, APIs

Software: Git, JSON

PROJECTS

- NBA Analytics** (MySQL), Database Management System – Dalhousie University 2024
- Extensively worked on a course project that consists of tens of thousands of lines of data sets about the National Basketball Association (NBA).
 - Conducted thorough quality assurance checks and refactoring on data sets to ensure they maintain accuracy and appropriate form as sourced from Kaggle.
 - Successfully analyzed what would be required for an average player to be an All-Star player or potentially end up in the NBA Hall of Fame list.
- Spotify Clone** (Kotlin, Java, Room DB, XML, Retrofit, Dagger Hilt), Personal Project - [GitHub](#) 2024
- Worked on a Spotify-inspired personal Music App employing XML for an intuitive UI, MVVM architecture for clean design, Dagger Hilt for dependency injection, and Firebase for real-time data synchronization and file storage.
 - Contributed and guided individuals on YouTube facing deprecations in the project course.
- Games Displayer Project** (Kotlin, Retrofit, Jetpack Compose), Personal Project - [GitHub](#) 2024
- Collaborated with a final-year computer science student via LinkedIn to develop a simple games displayer app using Retrofit for API calling and Jetpack Compose for seamless UI.
 - Embraced creating suitable comments in the code, and improved code quality.

WORK EXPERIENCE

- Pizza Hut** Halifax, NS
Team Member April 2023 – to date.
- Attended to consumer's requests to ensure maximal satisfaction, led a group of team members in the absence of the Store Manager, and trained new employees on the basics of store function.
 - Ensured accurate system data recording and closing at the end of the day, awarded "Employee of the Term" for outstanding performance while maintaining an excellent grade working full-time.
- Ileri-Allahu Trading Store** Ibadan, Nigeria
Managing Director September 2021 – December 2022
- Took on the responsibility of handling my mum's large-scale textile business while coordinating apprentices, effectively negotiating with customers, and recording sales and product movement.
 - Introduced the computational recording of products and sales as store a 2% sales growth during the period, mastered efficient communication, leadership, and bargaining skills.

LEADERSHIP AND PROFESSIONAL DEVELOPMENT

- Dalhousie University** Halifax, NS
Note Taker January 2024 – to date.
- Provided well-written and informative notes after lectures for the CSCI 2110 (Data Structures and Algorithm) and CSCI 2141 (Intro to Database Management Systems) courses, assisting coursemates with comprehension.
